

ADVANTAGE PLUS Drawer Removal

1. Partially open drawer and grip both sides. (Shown Below)

2. Lift up firmly, you will hear a click/pop when the drawer has detached.
(Shown Below)

3. Pull out the drawer. (Shown Below)

4. Lift and Remove! (Shown Below)

- 5. To replace drawer. Fully extend slides, place drawer on slides with the slide flush to the back of the drawer and squeeze together until both sides click back in place.**
